Circular M29/95 provided that the post-primary school year comprised 179 days "in operation for teaching", including 12 days in the case of certificate examination students. Circular 0008/2022 reduced the minimum number of required tuition days at post-primary level to 166 days to accommodate the introduction of an additional public holiday. Calendar examples in this bulletin are framed by reference to the current minimum tuition requirement and the established duration of the State examination period.
